

## 2009 Fresh Holiday Evergreens Fundraiser

We are selling Fresh Holiday Evergreen Wreaths and Garland (greenery) again this year. The troop will also be selling Trail's End Popcorn as a fundraiser. However, selling Evergreen items has been our MAIN fundraiser, and you, as a scout in this troop, have a great opportunity to raise money for the troop as well as for yourself, as commissions are paid on total sales.

***You may choose NOT to participate in either annual fundraiser. If you wish not to participate, or are unable to sell the \$150 minimum requirement of combined sales, please provide a check for \$75 made out to "Troop 91" to your patrol leader. He will turn that in with the rest of the patrol order.***
